Opening night screening & party

9:30 - 11:30 p.m. Thursday, August 4, 2005

822 N. River St. (along the east bank of the Willamette River)

Also showing: *Current: An Evening of Videos Inspired by Water*, a curated selection by Stephen Slappe.

DJ Josh Herr spins music inspired by water.

For more information, visit www.beneathourfeet.com.

Beneath Our Feet is a site-specific video montage by Portland-based artists Linda Wysong and Pamela Chipman that explores water, rain, and the mysterious world under the pavement. Created with footage from the West Side Big Pipe Project, the six-minute video loop takes the viewer under the street and into the 14-foot diameter pipe as it winds its way through Portland. This unusual perspective expands the discussion of form, function and beauty within our everyday lives.

Additional screenings are as follows:

Kenton Park / August 6, 2005

9:30 – 10:30 p.m. at Kenton Park, on the corner of North Brandon and North Kilpatrick.

Madrona Park / August 9, 2005

9:30 – 10:30 p.m. at Madrona Park, North Greeley and Going Court (Enter at North Wygant).

Waterfront Park / August 12, 2005

9:30 – 10:30 p.m. at Waterfront Park, under the Burnside Bridge during the Oregon Bite festival.

Chief Joseph School / September 22, 2005

8:00 – 8:30 p.m. at Chief Joseph School, 2409 N. Saratoga (at Delaware).

This project was made possible by support from Burdock/Burn Art Resources and the Regional Arts & Culture Council (www.racc.org).
